WEATHER POLICY

For your safety, all guests will be cleared from the water in the event of visible lightning or audible thunder. The pool will remain closed for 30 minutes after the last sound of thunder and/or visual observation of lightning. Facilities may delay opening or close early due to dangerous weather, low attendance, rain, or air temperatures below 70 degrees.

Will I be issued a rain check due to inclement weather?

Rain checks are issued when weather disrupts aquatics operations two or more hours before the posted closing time.

- If operations are suspended for 60 minutes or more, guests can exchange their receipt or ticket stub for a rain check if choose to leave the facility. The rain check will be valid for the remainder of the season.
- If a rain check is issued and the pool reopens, guests will be required to return rain check to gain admission the facility.
- No rain checks issued during the facility's final two posted operating hours.
- No refunds or early issued rain checks will be given.

You must present your ticket stub to be issued a rain check.

Visit www.pwcparks.org for our complete weather policy.
